I love you Tai

Dear Tai,

>You have made my life so love filled, yet now, I'm at loss for words to speak to you.
I feel everything has been made this way just to keep us apart.

>I'm suffering a deep depression Tai, because of you, I can't stand to be near anyone, that we used to know.
They comfort me Tai, trying to tell me, you died for me, Tai and you wouldn't want me to be sad.

>I can't help being sad Tai, you were and are the one I love!
I'd never turn to Matt, Tai, never in my life.

>You are the one for me Tai, and now I can't deny, I loved you from the start Tai, and I won't forget our promise.
That night Tai, that we fell in love, you made me promise, Tai, we would be together forever.

>I can't believe I believed you, as if it was impossible Tai, for nothing to happen to us.
That very night, Taiâ€¦ you stopped your life for mine,

>An evil digimon, attacked us Tai, and jumped in front.
I was scared Taiâ€¦ not for me, but for you.

>We were only innocent kids, Tai, you didn't deserve to die.
I deserved it Tai, it was aimed for meâ€¦ not for you.

>Your courage Tai, showed through, it was wrong of you to jump in front, Taiâ€¦
I dream of you, dying over again and again, and I'm not sure if I will live through this, Taiâ€¦.

>One thing I will never forget, was your courage for the group, you believed in us, and whether we didn't show it, we followed you Tai, we never would said "No!"
You may have seemed reckless, but it was for the best, because you showed your bravery, and would not let the rest get hurt.

>You'd rather get hurt then see the rest suffer, even though those

actions made you look like a fool, Tai.
I knew Tai, the hard on the outside, covering up the inside,
>You should have showed us those feelings Tai, we could have helped.
I knew you covered up your caring feelings, your heart, to show what a leader must do.. it saddens me, to know the others never got to know you.
>I think somehow, you knew there was a choice, you didn't have to save me, but you knew no one liked you, Tai.
You knew Matt could take the roll of a leader, Taiâ€¦
>You knew I'd be okay,
You knew no one needed you Tai, if you asked themâ€¦
>But you were wrong Tai, I needed you ,you and I still do.
My heart weeps for you, for your hidden love,
>Oh god Taiâ€¦. I think I'm gonna cry.
I don't want to be without you Taiâ€¦.
>So I must be with you once again.
End my pain, and join you Tai, in our quest for love.
>I take a blow from a mon, Falling,
I see memories flow out, like these blotches of red blood.
>These were of us Tai, me and you,
Of our adventure in the Digiworld,
>I can't wait to see you Taiâ€¦. For then we can hold eachother and share the love we never had.
I can help you Tai, and eternall happiness will be ours.
>The others don't need me now, and must give me to you Tai, for our love will live on, and we will be together for ever, I love you Taiâ€¦.
I'll soon be saying "Hi!"
>I can feel the darkness coming Tai,
I can almost feel youâ€¦. I love Taiâ€¦..
>Please be there to catch meâ€¦.
I love you Taiâ€¦..
>~Sora

>I knowâ€¦.. It really sucksâ€¦. I'm kinda depressed how no one likes Tai, I wanted to show something about him, hopefully get a few tears out.
I cried writing thisâ€¦.
>Heck, I know there are tons of spelling mistakes, please don't be harsh. It's my first oneâ€¦.
I don't know how not to blotch it, sorry for that too.
>BTW, it's not supposed to ryhmâ€¦.. please RR
>
I do not own Digimon, though I'd like too.
>It belongs to Toei, and Bandi(I think) and Fox kidsâ€¦.
I hope I didn't do a mistakeâ€¦.
> <p><p>
